

Escape into a flavourful exuberance

NATURAL VALENCENE 75%

A premium, clear, colorless to pale yellow liquid, distinguished by its rich orange aroma, curated through advanced fermentation technology. It offers a unique blend of pithy, juicy, and woody notes, with an almost ionone-like quality, complemented by a smooth and full-bodied taste. With a purity of 75%, this versatile product is ideal for a wide array of uses, including beverages, food, fragrances, and personal as well as skin care products. It is EU & US natural.

Odor: Strong, Fresh Orange, Juicy, Slightly Herbal
Taste: Sweet Orange, Fresh, Fruity, Slightly Peel

Karnataka Aromas in partnership with BASF launched the newest range of premium products - **ISOBIONICS**. It is a collection of natural citrus-based products that could prove to be a game-changer in the area of flavour & fragrance innovation.
